Planning a birthday, anniversary, wedding, company event, a summer or winter party? Perhaps your location won't have power or water? Why not order your own food truck. Not your style? You'd be surprised! Smartly dressed in black shirt and tie or in Bavarian lederhosen and dirndl, we serve your meals on porcelain dishes or glass. Our food truck shines black and gold, with a TV screen and festive lights. Make something special of your event! Try our homemade food on coloured buns (100% natural, no artificial colours or flavours) or choose our flying buffet. Contact us and let's discuss the possibilities!

Food Truck and street food cuisine at its best!

Be assured that your meals are prepared under conditions of the highest standards in a government-approved, top-of-the-line, professional kitchen.

Find our food truck at different locations daily, as well as at events and festivals all over Vancouver Island. Book us for your private or business event. Choose either our classic street food cuisine or our upscale catering concept – or both. Anything is possible.
